

# IMAC26

## ISKRA MEDICAL ANNUAL CONFERENCE

# SCIENTIFIC PROGRAMME 2026

MAY 31 - JUNE 2 2026

\*Aesthetics, Urogynaecology, Physiotherapy & Rehabilitation Workshops during the 3 days of the event.

## 1.6.2026 Monday

INTERNATIONAL MEDICAL SYMPOSIUM  
DRIVING INNOVATION, EMPOWERING GROWTH

**Dr. Ines Krištofić** Croatia  
Magnetic Stimulation for Pelvic Floor Treatments: A Clinical Perspective Based on Over 2,000 Patients

**Dr. David Lukanović** Slovenia  
Magnetic Stimulation in Pelvic Floor Dysfunction: Past, Present, and Future

**Dr. Tina Logar & Dr. Tadeja Štrumblej** Slovenia  
Mechanisms of Action of Magnetic Stimulation and Our Clinical Experience

**Dr. Vidya Pancholia** India  
Iskra Medical magnetic chair: My 10 year journey from incontinence treatment to vaginismus and vulvodynia solutions

**Dr. Maria Juliana Arcila** Colombia  
FMS beyond muscle strengthening and its role in neuromodulation for Overactive bladder

**Dr. Damir Hodžić** Croatia  
Stress, Urge and Mix Incontinence treatment

**Dr. Navneet Magon** India  
Magnetic Stimulation in the Pelvic Region, Beneath the Feet, and in Between: How FMS is helping the women in India

**Dr. Gabriel Vallejos** Chile / USA  
The role of the FMS chair in treating the pelvic pain

**Dr. Nikola Madzunkov** North Macedonia  
Role of the FMS Chair in the Treatment of Pelvic Disorders

**Dr. Sanja Latkovska** North Macedonia  
Magnetic Face Applicator in Clinical Practice Treatment Protocol and Clinical Results

**Dr. Low Chai Ling** Singapore  
The Feminine Longevity Code: Muscle as the Missing Link in Aesthetic Aging and Menopause

**Dr. Nejc Šarabon** Slovenia  
The Effects of Single and Repeated High-Intensity Magnetic Stimulation of the Feet in Diabetic Patients with Neuropathy using the Feet applicator

**Multiple Panel of Experts**

## 2.6.2026 Tuesday

INTERNATIONAL REGENERATIVE MEDICINE & PHYSIOTHERAPY SYMPOSIUM, ADVANCING SCIENCE, OPTIMIZING FUNCTIONAL RECOVERY

**Laura Álvarez** Spain  
Outcomes that Matter: Elevating Patient Care and Practice Performance with FMS

**Dr. Barbara Hudournik** Slovenia  
Muscle weakness in critically ill patients

**Jasna Palamar** Slovenia  
Experience with the use of FMS in a Hematology Department

**Stephanie Espinoza** Costa Rica  
From Invisible to Relevant: The Male Pelvic Floor and Its Clinical Response to Functional Magnetic Stimulation

**Lourdes Ruiz Atencia** Spain  
When the Bladder Fails: Underactive Detrusor and Its Impact on Women's Social Life and Quality of Life

**Prof. Dimitrios Lytras** Greece  
FMS in Musculoskeletal Rehabilitation: From Bone Stress Injury in Athletes to Neuromodulation through Combined Therapeutic Interventions

**Dr. Victor Fontes Pacheco MD, AABMR, FIPP** Brazil  
The Use of FMS as an Adjunctive Therapy to Enhance Orthobiologic Treatments

**Alberto Soligo** Italy  
FMS Beyond Symptom Modulation: Ultrasound and Functional Evidence of Tissue Healing

**Francisco José Vélez Heredia** Spain  
Use of FMS in the Treatment of Facial Paralysis: Study of Two Clinical Cases

**Special Surprise Speakers**

**Multiple Panel of Experts & Workshops**
